ADTech T2 18.5" Touch Screen

**RUNtech CTi**

(AVT-RUNTech CTi)

#### Aluminium Footboard

We select aluminium footboard to deliver not only durability but also with elegance.

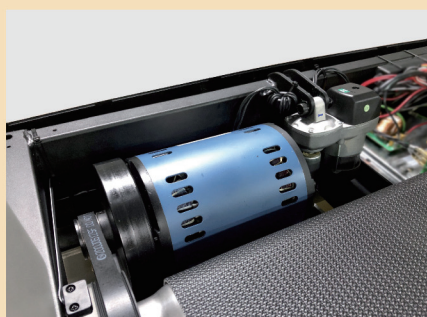

#### Comfortable Wide Grip

Ergonomics horseshoe shape handrail provides excellent comfort and safety.

#### Powerful AC Motor

The powerful AC Motor & Inverter will detect each footfall from different user. Resulting custom output to match every stride and create a unique running experience.

#### Composite Deck

The composite material of the running deck reach high durability w/o sacrificing any cushioning. Different cushion zone setting will bring a new physical interaction experience with the treadmill.
